- 5-7-1-3 If the parties fail to agree upon any of the persons named, or if those named decline or are unable to act, or if, for any other reason an appointment cannot be made from such lists of names, the American Arbitration Association shall appoint a mediator/fact finder from its other members without submitting additional lists.

- 5-8-10 If either the District or the JESPA objects to fact-finding by the same neutral who has been conducting mediation, the objecting party shall serve immediate notice in writing. When such notice is served by either party upon the other, the parties shall jointly authorize the American Arbitration Association to administratively select and assign another qualified neutral who shall conduct fact-finding under the procedures set forth in this Agreement.
- 5-8-11 Nothing contained in Article 5 shall limit the rights of the parties to mutually agree upon any other method or procedure for the conduct of negotiations, selection of a neutral, or the resolution of unresolved issues.
- 5-9 Impasse
 - 5-9-1 If there are unresolved issues after fact-finding, the Board will decide the unresolved issues.

ARTICLE 6

6 Grievance Procedure

6-1 Definitions

- 6-1-1 The term "Grievance" shall mean a complaint by an employee covered by this Agreement, or a complaint by the JESPA, alleging a violation, misinterpretation or inequitable application of any provision expressly set forth in this Agreement.
- 6-1-2 The term "Grievance" shall not apply to Bargaining Procedures as identified in Article 5.

6-2 Purpose

The purpose of the grievance procedure is to provide a fair, formal and expeditious manner of resolving differences as to any matter contained in this Agreement. Toward this end, employees are encouraged to resolve problems on an informal basis prior to filing a grievance.

6-3 Time Limitation

No formal grievance shall be recognized by the District or the JESPA unless it is submitted to the Office of Employee Relations in writing within thirty-five (35) workdays after the aggrieved person knew, or should have known, of the act or condition on which the grievance is based. A grievance not submitted within the aforementioned timeline will be considered waived.

6-4 Confidentiality

All grievance proceedings will be kept confidential to the extent permitted by law and will only be shared on a need-to-know basis.

6-5 Procedure

6-5-1 Step One – Pre-grievance Meeting

6-5-1-1 The employee with a grievance must first attempt to informally resolve it by meeting and discussing the issue with the employee's immediate administrator authorized to conduct such a meeting.

6-5-1-2 The employee may be accompanied by a JESPA representative at the pre-grievance meeting. The supervisor and/or administrator may be accompanied by a District representative. The employee and the administrator conducting the meeting will attempt to resolve the issue.

6-5-1-3 The administrator conducting the pre-grievance meeting will transmit a written response to the employee and to the JESPA office within 10 days of the pre-grievance meeting.

6-5-2 Step Two - Department Level Review

6-5-2-1 If a satisfactory resolution of the problem is not reached at Step One, the employee may initiate a Step Two department level review.

6-5-2-2 A Step Two department level review will take place between the employee, a designated District administrator preferably within the employee's department (director level or above unless mutually agreed with the JESPA), and additional JESPA and Employee Relations representatives at the discretion of the parties. At the review, the employee will have the opportunity to further discuss the grounds of the grievance. The parties are encouraged to thoroughly discuss the concerns and resolve the issues.

6-5-2-3 At the conclusion of the review meeting, the appropriate administrator authorized to conduct this meeting shall respond to the employee within ten (10) workdays outlining the issues discussed and any resolution reached. Copies of this decision shall be transmitted to the office of Employee Relations, the JESPA, and the grievant.

6-5-3 Step Three - Formal Grievance - District Level

6-5-3-1 The JESPA shall file a grievance directly with the office of Employee Relations within thirty-five (35) workdays, if the grievance is deemed meritorious by the JESPA, and if:

- A. The grievance affects more than one (1) employee; or
- B. The issue was not previously resolved at Step Two to the satisfaction of the grievant and the JESPA ; or
- C. The JESPA considers the grievance to affect its representative status.

6-5-3-2 A designated District administrator (director level or above unless mutually agreed with the JESPA) will serve as the hearing officer at Step Three. The Director of Employee Relations or their designee will represent the District at Step Three. The JESPA Executive Director or their designee may represent the aggrieved person. The hearing will include other parties in interest, as deemed appropriate by the District and the JESPA, in an effort to resolve the grievance. Such hearing will be scheduled within ten (10) working days by Employee Relations and held within two (2) months of the District's receipt of JESPA request. The hearing officer will furnish the JESPA and the District with a written copy of their decision within ten (10) workdays after the grievance was heard. The hearing officer may be granted an extension for good cause by making a request of both the office of Employee Relations and the JESPA. The JESPA may elect to proceed to Step Four in the event a copy of the written decision is not furnished to the JESPA within ten (10) workdays.

6-5-4 Step Four-Advisory Arbitration (**excludes Paraprofessionals/Clinic Paraprofessionals**)

6-5-4-1 If the grievance is not resolved at Step Three, a demand for an Arbitration hearing will be transmitted in writing by the JESPA to the office of Employee Relations, within thirty-five (35) workdays after the JESPA receives the Step Three decision. Parties agree that reasonable effort will be made to schedule and hold the hearing as soon as possible.

- 6-5-4-2 The office of Employee Relations and the JESPA will agree to a list of arbitrators within ten (10) working days. The arbitration hearing will be scheduled at the earliest convenient time by Employee Relations. The arbitrator shall establish procedural rules, conduct necessary hearings, and issue recommendations and findings to both the District and the JESPA. The arbitrator is encouraged to issue recommendations and findings within thirty (30) days from the date of termination of the hearing and to notify the District and the JESPA if the findings will not be issued within thirty (30) days.
 - 6-5-4-3 Within ten (10) workdays after receipt of the arbitrator's decision, the District and the JESPA will schedule a meeting to discuss the decision. No public release of information may be made until after such meeting. The Board shall take official action on the decision of the arbitrator within thirty (30) days of the discussion meeting.
 - 6-5-4-4 The arbitrator's decision shall be advisory.
 - 6-5-4-5 Costs for the services of the arbitrator, including per diem expenses, actual and necessary travel and subsistence expenses, shall be shared equally by the District and the JESPA.
- 6-5-5 Step Four – Dispute Resolution Panel (exclusively to Paraprofessionals/Clinic Paraprofessionals)**
- 6-5-5-1 If the grievance is not resolved at Step Three, the parties will submit the grievance to a panel, provided that such a request is submitted by the JESPA in writing within ten (10) workdays after JESPA receives the written Step Three decision of the hearing officer.
 - 6-5-5-2 The panel shall be made up of one (1) employee, designated by the JESPA and one (1) District administrator, designated by the District. Neither of the above panel members shall have been involved in the grievance at Step Two or Step Three in any capacity. The two panel members identified above will select a third panel member, who will be a District administrator (at least of coordinator level or above). The third panel member shall serve as the chairperson of the panel.

Departments are encouraged to collaboratively determine training needs and to consider on-line training, train-the-trainer opportunities, early release days, and other cost effective approaches.

7-4 JESPA President and Officers

7-4-1 The District shall grant release time up to sixteen (16) hours per week to the President of the JESPA or to an individual identified by the JESPA. The District shall recognize such changes only upon official notification from the JESPA of the name and location of the change in the JESPA representative or alternate.

7-5-2 The representative shall have the right to schedule JESPA meetings before or after working hours, where such meetings do not interfere with the normal duties of employees, except when the appropriate administrator determines approval cannot be granted.

The JESPA shall deliver its bulk mailings to the central mailroom and sort the mail for delivery to each school and job site.

7-6-4 The JESPA shall have the right to access electronic media to communicate with their membership. The District will not have to create additional e-mail addresses; JESPA will not transfer printing costs by using e-mail; and, all electronic communication will be done within District policy.

7-7 Policies, Regulations and Job Descriptions

7-7-4-1 When all affected employees cannot be trained at once, a process to identify the order in which the employees will be trained will be developed by the department and affected employees.

8-7 Evaluation Procedures (**excludes Paraprofessionals/Clinic Paraprofessionals**)

8-7-1 Both parties recognize the purposes of the evaluation are:

A. To help employees understand their strengths and weaknesses with the objective of improving their job performance; and

- B. To encourage meaningful discussion between employees and their immediate supervisors in areas of common concern.
- 8-7-2 To the extent that it is feasible and practicable, each individual rating report should reflect the combined evaluation, judgment, and review of both the immediate supervisor and the administrator immediately associated with the employee being rated (see Article 7-7-4 regarding evaluations and training).
- 8-7-3 The evaluation must be based on actual events or situations. The reasons for unsatisfactory markings must be described in writing and will include suggestions for corrective measures and the time available for correction. Attendance will only be part of an employee's evaluation if documented through the disciplinary process.

If the employee's performance is adjudged to be satisfactory at the end of the probationary period, based on the probationary evaluation of the employee, the employee will be removed from newly hired probationary status and given a one-step increment. Newly hired probationary employees are not entitled to "just cause."
- 9-1-2 A new employee coming from recent similar employment will be placed on the appropriate step by the office of Classified Human Resources.

9-2-1 The anniversary date for employees is September 1. Each employee will advance to the next step on the salary schedule on September 1 if the hire date was prior to March 1 or April 1 for Paraprofessionals/Clinic Paraprofessionals, provided their performance is adjudged by their immediate supervisor to be satisfactory based on the annual evaluation of the employee.

9-4-1 When an employee is promoted to a higher classification that requires basically the same skills and abilities, the employee will be placed on the same step in the new grade as the employee held just prior to the promotion. When an employee is promoted from one position to another of a higher grade which requires substantially different skills and abilities, the employee's pay in the new position will be set at a step which assures at least the equivalent of a one-step increase, but no lower than step two on the appropriate grade of the salary schedule. The office of Classified Human Resources, in consultation with the appropriate administrator filling the position, will make the determination.

- 9-4-2 When an employee's classification is altered downward at the direction of the District, or when an employee is demoted to a lower classification at the direction of the District, the employee shall not receive a pay rate less than the employee was receiving at the time just prior to the employee's reclassification or demotion. 10-2-2 Administrative transfers are intended to supplement and not replace transfer procedures identified in Article 10. The employee will be advised of the proposed transfer by the employee's appropriate administrator. The JESPA will be advised by the department administrator or the office of Employee Relations.

10-2-3 If, in the view of the JESPA, the reasons for an administrative transfer are not justified, the JESPA shall have the option of referring the matter to the grievance procedure under Article 6 of this Agreement.

10-3 The District may assign employees on a temporary basis.

10-3-1 Positions temporarily filled will be reviewed after sixty (60) working days with JESPA to determine if the position should be advertised as a temporary position; advertised as a permanent position; or extend the temporary placement for another sixty (60) working days.

10-4 Pilot Programs

10-4-1 The JESPA and the office of Classified Human Resources will be notified of the District's intent to establish any pilot program.

The general specifics, i.e., salary grade, length of pilot, intent of pilot, etc., will be included in the posting. Selection to fill pilot positions will be made from among department employees who volunteer to participate in the pilot program and in accordance with this article.
- 10-4-3 When the District determines the pilot is a success, the person(s) in the pilot position(s) will be retained in the position(s). When the District determines the pilot is unsuccessful, the person(s) in the pilot position(s) will be returned to the employee's previous position(s).
- 10-5 Transfers and Promotions
 - 10-5-1 Vacant positions not filled by an administrative placement or an internal placement process mutually agreed upon by the District and the JESPA will be subject to an open bid process. The object of the process is to select the best-qualified candidate for the position.
 - 10-5-2 Employees who desire a transfer or promotion shall file a job bid form for the open position per posting procedures.
 - 10-5-3 To be eligible for a transfer or promotion, the employee must be performing satisfactorily in their current position.
 - 10-5-4 An employee may not seek a lateral transfer within a department unless the employee has been in their current position for one hundred and twenty (120) working days. Exemptions may be made by mutual agreement between JESPA and Classified Human Resources.
 - 10-5-4-1 An individual initially employed as a custodial floater and who has completed their initial probationary period is exempt from provisions of Article 10-5-4.

 - 10-5-5-1 Classified Human Resources will notify, in a timely fashion, employees who do not meet the initial screening criteria. Upon written request, the employee will be given reasons for not having met the screening criteria.
 - 10-5-6 Interview and Selection Procedure
 - 10-5-6-1 Within a reasonable period of time, the appropriate department administrator will notify Classified Human Resources of the individuals included in the Selection Committee.

10-5-6-2 The Selection Committee will determine the tools to be used for the selection process. Selection tools will include:

- A. Resume or bid form screening; and
- B. Interview.

In addition, selection tools may include a minimum of:

- C. Written tests
- D. Practical tests
- E. Work Simulations
- F. Reference checks, and
- G. Other generally acceptable selection tools.

10-5-6-3 In all cases, the selection tools chosen will be applied uniformly and fairly to all candidates. This does not infer candidates screened out at an earlier step in the process must be included in other subsequent steps.

10-5-6-4 Final selection will be based on the Selection Committee's assessment of the individual's qualifications against the selection criteria. The selection criteria are:

- A. Individual requirements of the advertised position;
- B. Individual qualifications of the applicant;
- C. Applicant's past job-related performance and overall work history with the District; and
- D. Applicant's ability to adjust to the situational requirements of the advertised position and to deal effectively with peers, other staff members, supervisors and the public.

10-5-6-5 Internal candidates will be the preferred choice unless there is a meaningful difference between the external and internal candidates. If internal candidates are substantially equal, the selection will be based on the greatest amount of continuous job-related service in the District.

- 10-5-6-6 Final selection decisions will be made using a numeric point-based matrix, which will incorporate all of the selection tools used by the Selection Committee. Documentation from each of the selection tools used will be filed in the bid folder. Selection decisions may be subject to review by the office of Classified Human Resources and the JESPA to ensure:
 - A. All relevant selection documentation is contained in the bid folder; and
 - B. Selections are based on a comparison of the candidate's qualifications with the selection criteria.
- 10-5-6-7 The Selection Committee will, in a timely fashion, notify those final candidates who are not selected for the job opening or position. Upon request, the employee will be given written reasons for not having been selected.
- 10-5-6-8 An employee selected for promotion will be placed on probationary status for sixty (60) working days. However, the employee will not be eligible for a one-step increment increase upon completion of this probationary period.
 - A. In the event the employee's performance is not satisfactory during this probationary period, the employee will be reassigned to an available position at a rate of pay equal to that received prior to the promotion.
 - B. This assignment shall continue until the employee can be reassigned to the first available opening similar to that which the employee occupied just prior to the promotion.

10-6 Appeal Process – Final Selection

- 10-6-1 The District and JESPA intend to expedite the resolution of a dispute when the final result of the job selection process (Article 10 of the Negotiated Agreement) is challenged or questioned by the JESPA. The parties intend this to be a supplement to and not a replacement for the Grievance Procedure (Article 6 of the Negotiated Agreement). This timeline will not supercede the grievance timeline outlined in Article 6.
- 10-6-2 This is to be applied only to positions filled, as identified in Article 10-1-1 of the Negotiated Agreement. It is limited to the District employee who was part of the final selection criteria process and who meets the definition of employee identified in Article 1-1 of the Negotiated Agreement.

10-6-3 Procedure

- 10-6-3-1 After the selection announcement is made, any non-selected candidate(s) concerned about the selection process must present that concern to the JESPA within five (5) working days.
- 10-6-3-2 When the JESPA has received an appropriate request, the designated JESPA representative will review the bid folder within three (3) working days. Bid folders may be reviewed at the work site or in Human Resources.
- 10-6-3-3 JESPA is solely responsible for identifying the errors that justify initiating an appeal process. JESPA will review the bid folder, submit any identified errors that justify initiating the appeal process to the supervisor of the selecting administrator within twelve (12) working days of selection announcement.
- 10-6-3-4 The administrative reviewer (usually the selecting administrator's supervisor) will analyze the bid folder and consider the JESPA's position. If the administrative reviewer upholds the JESPA's position, the reviewer can overturn the selection.
 - A. If the selection is overturned, the reviewer will schedule a meeting within three (3) working days with the administrator filling the position and the JESPA's designated representative. During this meeting, the parties will attempt to resolve the selection dispute. If the parties cannot reach mutual agreement, the position will be re-advertised. Human Resources is notified as soon as possible of the meeting outcome; or
 - B. If the administrative reviewer does not overturn the selection or upholds the original selection, the reviewer will transmit in writing his/her reason(s) for their decision to Human Resources and the JESPA within three (3) working days. JESPA may continue to pursue the matter only on behalf of the employee who originally asked for a review by filing a written grievance at Step Three of the Grievance Procedure identified in Article 6 of the Negotiated Agreement.

10-7 Lateral Transfers

- 10-7-1 When any of the applicants for the open position are qualified to fill the position as a lateral transfer within the department, the District may select the applicant with the greatest amount of continuous job-related service in the District without screening and/or conducting interviews.

10-7-2 When an employee has completed the initial probationary period and is selected for a lateral transfer within a department, the employee will not be placed in probationary status.

10-8 Vacancies Created by Unpaid Long-term Illness or Injury Leaves

10-8-1 If the employee has been on unpaid leave status due to illness or injury for a period greater than sixty (60) working days, the department director and/or administrator will have the option to bid the position for the interim period. Should the employee return to work from unpaid leave in one (1) calendar year or less, the employee will be assigned to the first available position for which the employee is qualified.

ARTICLE 11

11 Reduction in Force (**excludes Paraprofessionals/Clinic Paraprofessionals**)

11-1 The term "Reduction In Force" shall mean the termination of ten (10) or more employees in a department, or ten (10) percent of the employees in a department, whichever is the lesser, provided that four (4) or more employees are affected.

11-2 When the District makes a reduction in force, it shall first notify the JESPA that it has decided to do so. The District will inform the JESPA of the number of employees to be reduced within each department. Within ten (10) days of the notification, representatives of the District and the JESPA will meet to discuss the reduction in force, including, but not limited to, alternatives to a reduction in force, notification, effective date of the reduction in force, number of employees in the department affected, etc.

11-3 The District, in considering those employees being reduced, will consider the following standards in the following order:

- A. Newly hired probationary employees will be reduced first;
- B. Job performance;
- C. Years of current and past related experience in the affected job classification(s) within the District;
- D. Interchangeability of skills as demonstrated while an employee of the District; and
- E. When the foregoing are substantially equal, the employee with the least amount of continuous service in the District will be reduced.

11-4 The District will make every effort to place an employee recommended for release in an open position within the District for which the employee is qualified, as determined by the District. The employee will be placed on the step and grade of the salary schedule commensurate with the new position.

- 11-5 Reduction in force personnel who wish to be considered for reemployment will provide written notification to the office of Classified Human Resources within ten (10) working days of their layoff. Such written notice will include where they may be contacted by telephone and/or U.S. mail.
 - 11-5-1 When a vacancy occurs in a category which has suffered a reduction in force, a letter of intent to reemploy shall be sent to the employee. The same standards set forth in Article 11-3 will be considered for reemployment.

APPENDIX 1

MEMORANDUM OF UNDERSTANDING

Paraprofessionals/Clinic Aides Transitioning to Other Classifications

During the 2002 contract negotiations (reopener only) between Jefferson County Association of Paraprofessionals (JCAP) and the District, lengthy discussion occurred regarding recruitment and retention issues. One of the discussed concerns focused on JCAP covered employees being selected for positions covered by the Classified Negotiated Agreement. The JCAP Negotiations team agreed that: when employees covered by JCAP apply for positions covered under the Classified Agreement, as current District employees they should not be treated as outside applicants.

Therefore, the parties agree as follows:

- When applying for a classified position, employees under the JCAP Agreement will be considered internal applicants.
- If a Classified covered position is offered to and accepted by an employee under the JCAP Agreement:
 1. The date that the employee became regularly assigned to any position covered by the JCAP Agreement will become their increment date under the Classified Agreement;
 2. The salary placement will be made according to Article 9-4 of the Classified Negotiated Agreement;
 3. The employee will be placed in a “probationary status” for sixty (60) working days and, if their performance is adjudged to be satisfactory at the end of the probationary period, the employee will be afforded the rights contained in Article 9-1-1 of the Classified Agreement. If however, at the end of the probationary period their performance is adjudged to be less than satisfactory, the employee will be assigned to an open available position similar to that which the employee occupied just prior the promotion; and
 4. All leave accrued by the employee under the JCAP Agreement will be transferred to sick leave accrual under the Classified Agreement.
- The terms outlined above will become effective on July 1, 2002.
- The parties intend no retroaction application of this agreement prior to July 1, 2002.
- The parties agree that the process outlined in this Memo of Understanding is not subject to the grievance procedures under either the JCAP or JESPA Negotiated Agreements.
- This Memorandum of Understanding should not be construed as support for or against any consideration that may or may not be given to combining the JESPA and JCAP Negotiated Agreements at this time or in the future.

MEMORANDUM OF UNDERSTANDING

Agreement to Merge the Classified School Employee Association (JESPA) and Jefferson County Paraprofessional Association (JCAP) Agreements

The Parties to this Agreement are Jeffco Public Schools (the District) and the Classified School Employees Association (JESPA).

This Agreement is effective from September 1, 2013 through August 31, 2019.

Therefore, the Parties agree as follows:

As a result of negotiations for the 2012-2013 school year, the Parties have agreed to merge the Classified School Employee Association (JESPA) and Jefferson County Paraprofessional Association (JCAP) contracts.

This merger will continue as a pilot until the next full contract re-opener. The parties agree to discuss the feasibility of this merger relative to its application or interpretation in all negotiation sessions as a mutual proposal until the full re-opener. During the 2019 negotiations, the parties will make a decision to eliminate the pilot and formalize the merger or return to two separate agreements.

MEMORANDUM OF UNDERSTANDING

Agreements from 2013 Employee Summit and Negotiations

This memorandum of understanding is made and executed this date by and between Jefferson County Public School District R-1 ("District") and Classified School Employees Association ("Association"), referred to collectively as "the Parties".

The District and Association agree as follows:

1. As was the case for the 2010-2011 and 2012-2013 school years, there will be no COLA (cost of living adjustment) added to the salary schedule for 2013-2014.
2. As was the case in 2011-2012 and 2012-2013, there will no step movement for 2013-2014.
3. For 2013-2014, the District will not increase or decrease the amount it contributes toward employee health insurance, despite rising premiums, However, due to Health Care Reform, the amount provided to employees for payment for premiums will no longer be considered an allocation but instead an employer contribution.
4. For the 2013-2014 school year, the contracted work year will increase by four additional work days. These are the work days that had been reduced in 2011-2012.
5. Association bargaining unit members will not be furloughed. This will result in two additional work days that had previously been reduced by furlough.

6. The Parties acknowledge that the return of the four work days and the elimination of the two furlough days results in the restoration of the 3% reduced compensation employees experienced when those days were previously cut from the work year.
7. In order to remain competitive and to recruit and retain high-quality employees, the Parties have agreed that after PERA and other statutory requirements are met, any increased funding anticipated for the 2014-2015 school year will be directed first to additional salary. This will be through a step increase for teachers and an equivalent increase for administrators, classified and all other employees.
8. The total recommended compensation package for all Jeffco employees includes additional work days resulting in the restoration of salary, health insurance, and PERA. The Association acknowledges that the District's contribution to PERA is paid by the District from the general fund. The general fund is used for most district personnel expenses, including compensation.

MEMORANDUM OF UNDERSTANDING

Affordable Health Care Act 2013

The Parties to this Agreement are Jeffco Public Schools (the District) and the Classified School Employees Association (JESPA).

This Agreement is effective from September 1, 2013 through August 31, 2019.

Therefore, the Parties agree as follows:

The Parties recognize that the Affordable Health Care Act will impact the delivery of health care benefits to District employees. Employees working under multiple job codes or working at thirty (30) hours or greater may be eligible for benefits under the law as regulations are implemented.

As a result of negotiations for the 2012-2013 school year, the Parties agree that the Affordable Health Care Act is still undergoing development and implementation with provisions being staggered over a period of time as defined by government mandates. The parties acknowledge that the Benefit's Advisory Committee is the District committee to interpret and identify the impact of government mandates and timelines. As a result, Health Care Reform will remain as a mutual proposal for discussion at negotiations while government mandates are being implemented.

MEMORANDUM OF UNDERSTANDING

Affordable Health Care Act 2014

(Reference: Article 17 of the September 1, 2013 – August 31, 2019 JESPA Negotiated Agreement)

Upon implementation of the applicable employer shared responsibilities provision of the Affordable Care Act (expected to be July 2015, with a first deduction in June 2015), the parties agree that the District will provide a standardized health insurance benefit package, including a \$515.00 benefit contribution, across all JESPA and JCAP employees who average 30 or more hours in the work week. JESPA acknowledges that upon implementation of the package, some employees will no longer be eligible to enroll in, purchase or receive any form of District provided medical insurance or employer

contribution. The District has agreed to assist impacted employees by providing information about options available to them through the Colorado health care exchange.

MEMORANDUM OF UNDERSTANDING

Evaluations 2014

(Reference: Article 8-8 of the September 1, 2013 – August 31, 2019 JESPA Negotiated Agreement)

Both parties have committed to review the evaluation process prior to the 2015-2016 negotiations. The parties agree to clarify the rating of “moving towards district standards” in the evaluations. The intent is to ensure that employees who have been in their current position for more than a year and who achieve an overall performance rating of “moving towards district standards” will not be considered for future compensation increases.

MEMORANDUM OF UNDERSTANDING

Compensation Agreement 2014

(Reference: Article 19 of the September 1, 2013 – August 31, 2019 JESPA Negotiated Agreement and the Salary Schedules)

Employees who receive a satisfactory evaluation* for the 2013-2014 school year will receive a one-step increase. A satisfactory rating will be assumed for those employees who did not receive an evaluation for 2013-2014. Employees with an overall performance rating of “does not meet one or more district standards” shall not receive a step increase. For employees in the salary hold periods in steps eight (8), eleven (11), sixteen (16), and twenty-one (21), step calculations will be based on seniority/experience accrued during the period wages were frozen.

**A satisfactory evaluation rating for the 2014 compensation agreement includes Exceeds in One or More District Standards, Meets District Standards and Moving Toward District Standards.*

MEMORANDUM OF UNDERSTANDING

Compensation Agreement 2015

Compensation: Employee will receive a 1% increase for the 2015-2016 school year, unless the employee receives an overall performance rating of ‘does not meet’ for the 2014/2015 school year. There will be no step movement for the 2015/2016 school year.

PERA: For the 2015-2016 school year, the .5% increased cost of SAED PERA contributions will be covered by what would otherwise have been a salary increase for employee. This represents an additional .5% compensation increase to JESPA employees.

MEMORANDUM OF UNDERSTANDING

Compensation Agreement 2016-2017

This memorandum of understanding ("MOU" is made and executed by and between Jefferson County School District R-1 ("the District") and the Jeffco Education Support Professionals Association ("JESPA").

The District and JESPA recognize that hiring and retaining qualified, experienced support professionals is critical to both parties, and offering competitive wages is an important component to accomplishing this goal. In accordance with Master Negotiated Agreement Article 5-4-2, the parties convened to negotiate monetary issues, including annual salary increase, step advancements, and taskforce initiatives. As a result, the parties agree to the following:

- 1) Current JESPA employees who were eligible for step advancement and receive a satisfactory evaluation will receive one- step advancement for the 2016/2017 school year.
- 2) The entire JESPA salary schedule will receive an ongoing increase of .5% beginning in the 2016/2017 school year.
- 3) Current JESPA employees in a hold step and not eligible for salary step advancement, steps eight (8), eleven (11), sixteen (16), and twenty-one (21), will receive a one-time stipend equal to 3.5% of their present base annual salary to be paid in October 2016.
- 4) Current JESPA employees who were eligible for a salary step advancement will receive a one-time stipend of 1.5% their present base annual salary to be paid in October 2016.
- 5) For the 2016-2017 school year, the .5% increased cost of SAED PERA contributions will be covered by what would otherwise have been a salary increase for employee. This represents an additional .5% compensation increase to JESPA employees.
- 6) The District and JESPA acknowledge that budgetary savings and underspend is estimated by the District throughout the spring budgetary process and ultimately is not actualized until all final calculations are made in the fall. The parties agree to convene a compensation subcommittee in the Fall of 2016 contingent upon additional available funds. The District will advise JESPA of the availability of funds, if any, as soon as that determination is made and will discuss distribution of such funds.
- 7) The District and JESPA acknowledge and value the work of the Benefit Advisory Committee. The parties mutually ask and encourage the Benefit Advisory Committee to explore options that would make the costs of family coverage more affordable.

- 8) The District and JESPA agree that prorated pay for education support professionals that do not work year round provides a consistency value for employees but also causes compensation delays. To ensure we are dispersing pay in a way that attracts and retains qualified employees, the parties agree to evaluate the value of prorated pay as well as explore other compensation options that may better meet the needs of our employees.

- 9) The District and JESPA are committed to creating and maintaining a school environment that is conducive to student learning and safe for employees. Consequently, the parties agree to establish a taskforce to explore ways to mitigate employee injuries that can occur when supervising and handling students.

MEMORANDUM OF UNDERSTANDING

Compensation Agreement 2017-2018

This memorandum of understanding (“MOU” is made and executed by and between Jefferson County School District R-1 (“the District”) and the Jeffco Education Support Professionals Association (“JESPA”).

The District and JESPA recognize that hiring and retaining qualified, experienced education support professionals is critical to both parties, and offering competitive salaries is an important component to accomplishing this goal. Accordingly, the parties agree to the following for the 2017-2018 school year:

1. The District will pay the increased PERA contribution of .5%

2. Education support professionals will move one step on the salary schedule in accordance with Article 19-1 and the Career Increment language in Article 18.

3. The District will provide a Cost of Living Adjustment (COLA) of up to 2 % for all District employees, subject to the following contingencies and funding limits:
 - a. The 2% COLA (approximately \$10.8M) is contingent upon the receipt of sufficient “new money” funding from the state; and
 - b. If the “new money” state funding is insufficient to provide a 2% COLA for all employees, the District will cover the shortfall up to a maximum of \$5.4M (1%).

Examples (for illustration purposes only):

State provides at least \$10.8M, District will provide no additional funding = 2% COLA.

State provides \$7M, District will provide \$3.8M = 2% COLA.

State provides 2.7M, District will provide \$5.4M = 1.5% COLA.

State provides \$0, District will provide \$5.4M = 1% COLA.

4. The District will increase the rate of Snow Premium Pay referenced in Article 20-3 to \$15.00 per hour.
